## For Immediate Release

### **THEREX CHOSEN TO PROVIDE PHYSICAL THERAPY FOR HALIFAX REGIONAL**

**ROANOKE RAPIDS, NC - (October 22, 2008) - Halifax Regional has chosen TherEX to provide physical therapy to patients at the Medical Center and at Halifax Physical Therapy.**

TherEX specializes in providing onsite rehab solutions in hospital and outpatient clinics throughout the United States. "We chose TherEX because of their wide array of rehabilitative services and their proven track record with hospitals throughout the nation," said Bruce Robistow, Administrative Director of Clinical and Support Services at Halifax Regional.

Many of the same therapists that served patients at Halifax Regional and Halifax Physical Therapy are continuing to treat them through TherEX.

Currently TherEX is offering treatment to patients needing physical therapy. "We hope to expand the services in the future," said Brian Jones, Director of Rehabilitative Services for TherEX. "Our mission is to offer the services needed by patients," he added.

Patients needing physical therapy can receive treatment at Halifax Regional or Halifax Physical Therapy, which is located at 120 Professional Drive in Roanoke Rapids. For information, call 252 535-3028.
