HALIFAX REGIONAL HOSTS OPEN HOUSE FOR NEW CARDIAC & VASCULAR CENTER

Everyone Invited To Visit the Newest State-Of-The-Art Diagnostic Center in the Region

ROANOKE RAPIDS, NC – (September 24, 2008) – Halifax Regional is holding an open house to introduce the public to the new Cardiac & Vascular Center.

The open house is scheduled from 2 to 6 p.m. Friday, October 3 at the Medical Center. Refreshment will be served and there will be door prizes. People attending the open house should park in the visitor lot in front of the hospital and use the entrance to the main lobby.

Everyone who attends the open house will have an opportunity to tour the Center, a chance to speak with the staff, and the opportunity to ask questions about the new cardiac service available at Halifax Regional. Visitors will get an up close hands-on view of the latest in state-of-the-art technology used to for cardiac catheterizations and to perform angiography procedures.

The Cardiac & Vascular Center represents a \$2.5 million investment in the healthcare of the Roanoke Valley and was designed to meet a major health need in the region. The Center houses high-tech equipment for diagnosing narrowing of the arteries in the heart, arms, legs, and neck – and to treat patients with narrowing arteries through angiograms and arterial stenting.

For more information about the open house, please call 252-535-8585.
