WILDWOOD MEDICAL CLINIC ADJUSTS HOURS

HENRICO, NC (April 20, 2009)—To meet patient demand, Wildwood Medical Clinic is now open Tuesdays through Thursdays.

The Clinic is open from 8:30 a.m. to 4:30 p.m., offering a range of family medical services, including sick care, minor surgical procedures, physical exams, immunizations, management of chronic illness and lab tests.

The Clinic is located near Pea Hill Creek and Washburn's Marine on Lake Gaston at 2053 River Road at Henrico.

New patients are welcome. Call 252 537-9400 for an appointment.

Previously, Wildwood Clinic had been opened Monday through Friday and was closed on Wednesday afternoon. "We believe this change in hours will meet the demand and assist us in keeping our costs in line," said Will Mahone, president of Halifax Regional.

Patients at Wildwood have direct access to the full range of services offered at Halifax Regional, including diagnostic imaging, outpatient and inpatient care.
