WILDWOOD MEDICAL CLINIC INVITES LAKE RESIDENTS TO MEET AND GREET THE STAFF.

ROANOKE RAPIDS, NC. (April 26, 2010)—Wildwood Medical Clinic is offering residents of Lake Gaston an unusual opportunity to learn more about the clinic in May.

Residents may visit, meet the staff and tour the center to become more acquainted with Wildwood. “The population of the area increases this time of year, and it’s a good time to get to know our staff so residents can feel confident about access to their health care,” said Mary Pat Whaley, practice administrator.

Cassandra Owens, Physician Assistant, leads the team of caregivers at Wildwood and wants to meet residents of the Lake to discuss capabilities and qualifications of the staff and to learn the expectations of residents. They also will meet Kim McDermott, RN, the nurse, and Lily Coppage, the receptionist.

“We believe that getting to know Wildwood better will make residents of the lake area more comfortable in establishing relationships with the staff,” said Whaley. “Wildwood has a personal approach that makes patients relaxed and confident when receiving medical care in their own neighborhood.”

Please call 252 537-9400 to reserve a time to meet the staff and tour the center. Wildwood offers general medical and preventive care for children and adults. Patients with an illness or injury generally are seen the day they call.

Wildwood is open 8:30 a.m. to 4:30 p.m. Mondays, Tuesdays, Thursdays and Fridays and 8:30 am until noon on Wednesdays. It is located at 2053 River Road before Washburn’s Marina and the bridge in Henrico. Wildwood accepts most major insurance plans, including United Healthcare and Aetna.
